

One of a Kind Kiln Building Work Bee

Some Like it Hot!

Lee and Yolande Clark are building New Brunswick's only wood-fired raku kiln. A Japanese style pottery kiln that can burn up to 1000°C.

That's hot!

Come, help,
and learn something new!

What is a Work Bee?

Work Bees are an exchange of ideas and skills, they are times when volunteers join to work together to get the job done.

Lunch Served

Free for Participants!

Saturday August 21 From 9:00 am to 4:00 pm

Falls Brook Centre will be hosting Work Bees throughout the summer and fall

To register for this and other Work Bees
